

Individual Weekly Report

Name: Brint Nielson

Team: The Gauntlet

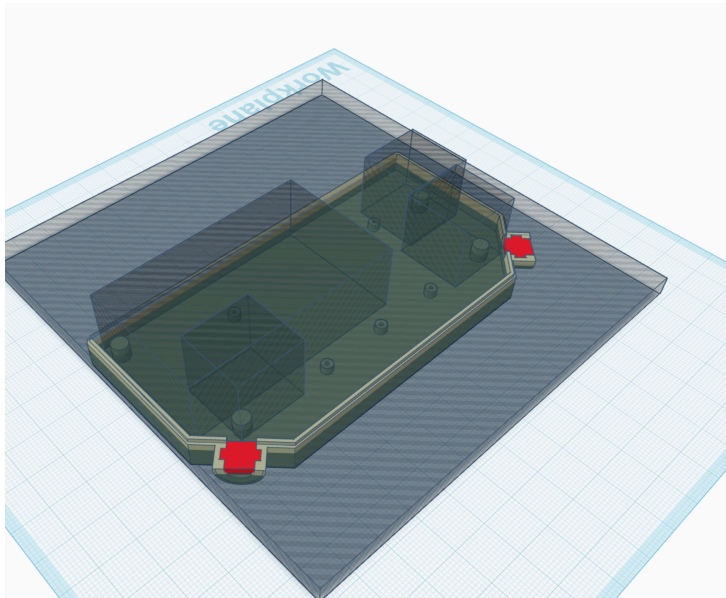

Date: 3/29/2025

Current Status

1. What did you **personally** work on this past week?

Task	Status	Time Spent
Get driver example files and test drivers	In progress	2 Hour
Adjust STL files for print casing and print casing	In progress	3.5 hour

Include **screenshots/graphics** to illustrate what you did this past week:

2. What problems did you run into? What is your plan for them?

My 3d printer was giving me some issues but I was able to fix that.

3. What is the current overall project status from your perspective?

Putting together for the final prototype/ testing.

4. How is your team functioning from your perspective?

Great we are close to finalizing and being able to test the integrated prototype.

5. What new ideas did you have or skills did you develop this week?

How to properly get my 3d printer to work and now learning how to test drivers.

6. Who was your most awesome team member this week and why?

I would put Will as the awesome team member of the week since he did great job starting the UI.

Plans for Next Week

What are you going to work on this next week?

Driver finalized and working with prototype and print and integrate final 3d prints.

.
